

John Weitekamp RPh is a practicing Pharmacist in West Allis actively serving his Profession for the last 34 years. He is a graduate of the University of Wisconsin-School of Pharmacy, has served on the Board of Directors for the Pharmacy Society of Wisconsin and is currently a Clinical Instructor for the Concordia University-School of Pharmacy. John also serves as the Chairman Elect of the Aurora Pharmacy Practice Council and has been actively involved in the Aurora Pharmacy Practice Council Opiate Subgroup. "The current opiate epidemic has affected way too many families and loved ones in Wisconsin and The United States. I myself lost my son to suicide after a 7 year battle with heroin addiction in February of 2015. I believe that as a Pharmacist serving in the trenches of the opioid problem, along with my personal experience, I will bring a unique perspective to the Opioid Task Force in the fight to control this horrible epidemic."
